[1](#)1. (S) Econoff delivered ref points and background information for the three reftels on June 10 to Delia Villamonte, Director General of International Organizations and Conferences. Leoncio Hernandez, the Foreign Ministry's Director of the Department of Analysis Against Terrorist Activity, was unable to attend, but Villamonte will pass on all information to him. Villamonte stated they would coordinate with relevant GOP entities to identify and freeze, as appropriate, financial assets these individuals and organizations might hold in Panama. Villamonte specifically mentioned Panama's National Security Council, Bank Superintendency, Financial Analysis Unit, Stock Market Commission, and the Public Registry as the entities most likely to have data on such assets. Villamonte confirmed that the GOP will advise if the GOP locates any assets held by the individuals or organizations and on any GOP steps taken regarding the same.
